### What are we doing?

From Monday 17 February for approximately eight weeks, between 7am - 7pm, we will be making changes to **Dee Street** at the intersection east of Cranford Street.

From Wednesday 19 February for approximately six weeks, between 7am - 7pm, we will also be making changes to **Malvern Street** at the intersection east of Cranford Street.

Our work includes reconstruction of kerb and channel, new footpath, berms and stormwater upgrades. Following these changes, the roads here will permanently become left turn only onto Cranford Street.

### Traffic impacts

The road will be closed on Dee Street (east of Cranford Street) and on Malvern Street (east of Cranford Street).

Detours will be in place. Please be on the lookout for changes to traffic management and follow the signs.

### Driveway access

We may need to work in front of driveways near these intersections from time to time. If we are working in front of your driveway we will maintain access with plates.

We thank you for your patience.
