Details

- Oxley Avenue will be closed at the Cranford Street intersection during these works with detours in place along Forfar and Winton streets.
- Lane shifts will occur where required. This will mean that we will need to restrict parking and property access during some stages of this work.
- Driveway access and footpaths may be blocked for short periods of time. In the case of impacts on driveways, the Isaac team on site will knock on all affected properties in advance to allow for the timely movement of vehicles.
- We will keep you informed throughout the project with updates and any changes.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
