Woolston and St Albans Sewer Renewals

What The renewal of the sewer mains and sewer laterals.

Where Forfar Street, number 105 to Westminster Street.

When Work will start on 17 February 2020 for approximately 2 months.

Why The existing sewers are reaching the end of their existing life and the existing watermain is likely to break while relaying the sewer main. The watermain will be relaid before the sewer is relaid.

Contact The contractor is Brian Perry Civil. Phone 021 863 067 between 7am to 6pm from Monday to Friday. Advise us if you have specific property access requirements e.g medical visits, home help, large vehicle deliveries, planned works.

- Traffic management will be installed to keep both the workers and local road users safe.
- Please be aware that the road will be closed while the sewer is being relaid.
- Property access may be blocked off during working hours. Residents will be notified in advance should this be the case.
- On road parking will not be possible during the works.
- The laterals will be renewed along with the sewer main.
- Please phone Ofa Mafua (021 863 067) Brian Perry Civil's Project Engineer should you have any questions or concerns.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.
