### What are we doing?

From Thursday 19 March for approximately five weeks, between 7am and 7pm, we will be renewing the storm water pipes and services on Innes Road between the east side of Cranford Street and Jameson Ave.

### Traffic impacts

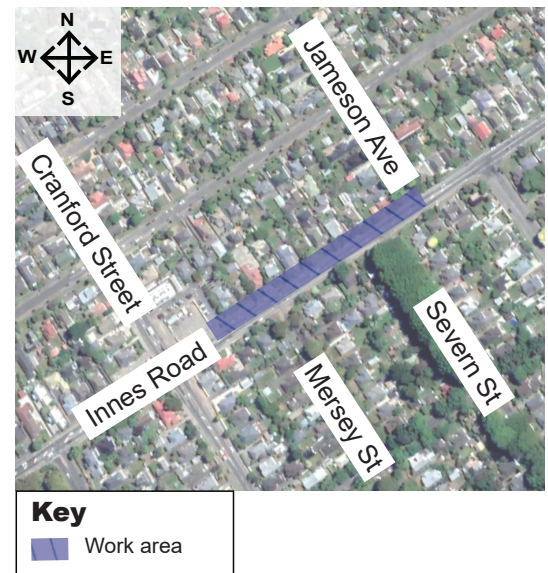

Lane shifts and shoulder closures will be in place. On-street parking will be restricted around our work area. Please be on the lookout for changes to traffic management and follow the signs.

### Access restrictions to your property

We may need to block vehicle access to your property for short periods from time to time. The crew on site will door-knock affected properties before they block your access to give you time to move your car if needed.

We will reinstate your access throughout our work with plates. Please note pedestrian access to properties will be maintained.

## Thanks for your patience as we work in your area

### Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

### Safety

Safety is our biggest priority so please keep children and pets away from worksites.

### Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
