What are we doing?

From Thursday 19 March we expect the majority of work on Malvern Street east of Cranford Street to get underway. This will take approximately three weeks, so we will be moving the road closure from the west side back to the east side of Malvern Street during this work.

Works to complete here include construction of the remaining kerb and channel, road reconstruction, new footpath and landscaping.

Traffic impacts

The road will be closed on Malvern Street (east of Cranford Street). The west side of Malvern Street will be reopened.

Dee Street (west of Cranford) is closed and will move back east over the next few weeks. Please be on the lookout for changes to traffic management and follow the signs.

Driveway access

We may need to work in front of driveways near these intersections from time to time. If we are working in front of your driveway we will maintain your access with plates. We thank you for your patience.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
