

# We're working in your area

## Flockton Wastewater Renewals

**What** We're replacing a wastewater pipe which is part of the Flockton Wastewater Renewal Project.

**Where** Thornton Street and Flockton Street from Thornton Street to Carrick Street

**When** Work will start Mid March 2020 to late April 2020

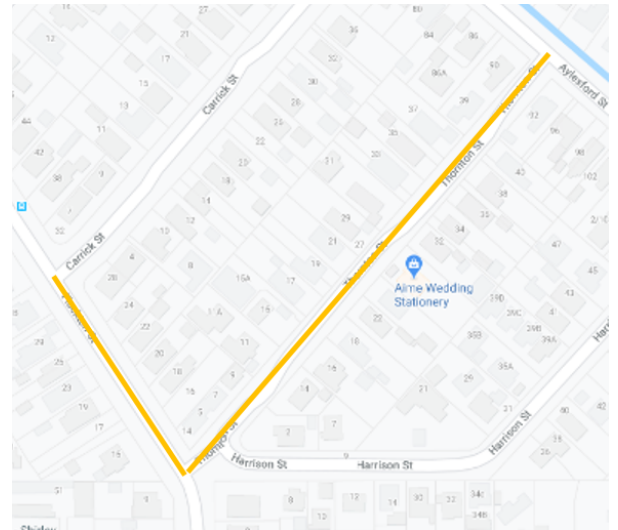

**Why** The existing sewer has reached the end of its service life and requires replacing

**Contact** The Contractor is Dormer Construction and their representatives are Josh Ellis, site foreman (027 220 6044) and Jerry Phillip, project manager (021 323 424). Please advise Josh or Jerry if you have specific property access requirements re medical visits, home help, large vehicle deliveries, planned works.

There may be times when vehicle access to your property is restricted. This will be temporary and our contractor will door knock beforehand so you can move your vehicles if necessary.

The work may result in increased dust, noise and vibrations. We will try to keep any disruption to a minimum and we apologise in advance for any inconvenience.

All work is subject to favourable weather and on-site construction conditions.

## Thanks for your patience as we work in your area

### Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

### Safety

Safety is our biggest priority so please keep children and pets away from worksites.

### Bins

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.

### Other projects
