### Details

We are renewing and enhancing the timber drain outside the properties on #395, 385, #375, #359 and #357 Marshland road, shown in the pictures here.

Vegetation removal and timberline drain renewal work on these properties will be carried out between mid-March and the beginning of June 2020.

We will contact you in the near future to discuss further drainage work and access relating to your property.

Traffic management will be in place. This will not impact access to your property.

Safety is our number one priority. Safety is your responsibility too. Stay clear and stay alert. Please keep children and pets at a safe distance from the worksite and construction machinery.

If you are not the owner of this property but are a tenant it would be appreciated if you would pass this leaflet on to the owner for their information.

## Thanks for your patience as we work in your area

**Noise**

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

**Safety**

Safety is our biggest priority so please keep children and pets away from worksites.

**Bins**

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.
