

We're working in your area

Grassmere water pump station – New well drilling

What Our contractor will resume installing a new water supply well.

Where Grassmere Pump Station, 21 Grassmere Street, Papanui

When Work will resume once the COVID-19 Alert Level 4 is lifted and will run into August 2020.

Why The new well will provide more drinking water to Christchurch's water supply network.

Contact The contractor is Seipp Construction Ltd. Contact Barry Hofmeyr. Ph 03 423 1718 8am to 5pm, Monday to Friday.
Please let them know if you have any specific property access needs (e.g. medical visits, home help, large vehicle deliveries, planned works, etc).

- There will be some construction noise typical of well-drilling work, but this will be kept to a minimum and between working hours as much as possible.
- A new section of stormwater pipeline will be installed in the roadway between 21 and 29 Grassmere Street. This will mean the temporary diversion of the adjacent footpath, cycle lane and road lane. Alternate access will be provided to those properties affected.
- We'll be following safe work and hygiene practices to limit the spread of COVID-19, including physical distancing guidelines. These extra measures are to keep our contractors, staff and communities safe and healthy.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.
