Transport projects in St Albans, Edgware and Mairehau

What	Night works
Where	Innes Road / Mersey Street intersection and Innes Road / Severn Street intersection
When	From Wednesday 27 May 2020 for two nights, subject to weather
Contact	Fulton Hogan on 0800 ROAD FH (Mon - Fri, 8am - 5pm) or email cant.info@fultonhogan.com . After business hours, please phone this number if the matter is urgent. Please advise us if you have specific property and access requirements e.g. vehicle deliveries, medical visits, planned work.

What are we doing?

On Wednesday 27 May and Thursday 28 May, we expect to be working at night (7pm - 7am), to lower the watermain for the new stormwater installation. Work will be carried out at Mersey Street/Innes Road intersection and Severn Street/Innes Road intersection. This work is subject to weather and may be carried out on nights following if weather is unfavourable.

Night works

You will notice machinery, light and noise coming from the site while the crews are working. We will aim to carry out noisy works, such as saw cutting, earlier in the night.

We know night works are more disruptive so we intend to finish this work as quickly as possible. Night works are required due to the high traffic volumes during the day.

Traffic impacts

Traffic will be stop/go during the night. Please be on the lookout for changes to the traffic management and follow the signs. A 30kph speed limit will be in place.

Driveway access

Access to properties will be maintained however we may need to work in front of driveways from time to time. If you need to get into or out of your property and we are in the way, please advise one of our friendly staff and we ensure we give you access. We thank you for your patience.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
