

# We're working in your area

## Transport projects in St Albans, Edgware and Mairehau

ID: 20230  
Thursday 4 June 2020

<b>What</b>	We're making changes to the Edgware / Madras intersection
<b>Where</b>	Edgware Road / Madras Street intersection
<b>When</b>	From Monday 8 June 2020 - August 2020
<b>Contact</b>	Fulton Hogan on 0800 ROAD FH (Mon - Fri, 8am - 5pm) or email <a href="mailto:cant.info@fultonhogan.com">cant.info@fultonhogan.com</a> . After business hours, please feel free to call us if the matter is urgent. Please advise us if you have specific property and access requirements e.g. vehicle deliveries, medical visits, planned work.

### What are we doing?

From Monday 8 June for approximately three months, we will be making changes to the Edgware Road / Madras Street intersection.

We expect the majority of this work to be carried out during the day, 7am - 7pm but some night works may be required. We will notify those in the area prior to night works if this is needed.

### More about our work

We'll be relocating power poles on the corners of this intersection, constructing a new parking bay on the southwest corner, and installing new ducting.

We'll also be decommissioning and replacing traffic lights on all corners of this intersection and carrying out shoulder reconstruction here.

#### Key

 Work area

## Thanks for your patience as we work in your area

### Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

### Safety

Safety is our biggest priority so please keep children and pets away from worksites.

### Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.

### Other projects

Learn about the Council's work.

## Traffic impacts

Lane shifts will be in place at this intersection. Please be on the lookout for changes to traffic management and follow the signs.

We will need to restrict some on-street parking, so will place no parking cones out before we start work. We will aim to reduce the amount of car parks we take as much as possible.

Please note that when we carry out works for traffic light replacement in the near future, we will be closing Edgeware Road at this intersection.

## Access restrictions to your property

We will need to temporarily restrict driveway access to some properties at this intersection. We will notify these properties before we block access to give you time to move your car if needed. Affected properties will have their access reinstated with plates until we complete work in front of them.

Pedestrian access to properties will be maintained with the help of our friendly staff. We thank you for your patience and co-operation.

## General Information:

Please contact Fulton Hogan on 0800 275 342 if you have any specific access requirements e.g. nurse/doctor visits, Meals on Wheels or planned works on your property.

There will be increased noise, dust and vibration levels.

Works will have no planned impact on current power, telecommunication or gas services, however, the network is still fragile so please be prepared in case there is an unexpected service cut off.

All works are subject to favourable weather and on-site construction conditions.
