### What are we doing?

On Friday 5 June 2020 from 5am in the morning, we will be carrying out our work early to asphalt the driveway entrance to Warrington Mall car park and the parking bay north of this driveway.

If weather is unfavourable this work is expected to be carried out one morning early next week.

### Early morning starts

You will notice machinery, light and noise coming from the site while the crews are working.

We know this work is disruptive so we aim to complete this work as quickly as possible. Early morning work is required so we can maintain business access during the day. We appreciate your patience and understanding.

### Traffic impacts

Driveway access will be restricted to Warrington Mall car park entrance early in the morning.

The current one way system on Barbadoes Street will remain in place.

Please be on the lookout for changes to the traffic management and follow the signs.

## Thanks for your patience as we work in your area

### Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

### Safety

Safety is our biggest priority so please keep children and pets away from worksites.

### Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
