What	Watermain installation, together with new storm water drainage, kerb and channel, traffic signals, new footpaths and road reconstruction at Sherborne Street/Bealey Avenue intersection.
Where	Temporary one way southbound between Purchas Street and Bealey Avenue
When	From Wednesday 17 June for approximately 4 weeks
Contact	Peter Loakman, Communications Manager Isaac Construction Ph: 027 225 9577 E-mail: ploakman@isaac.co.nz

Details

- Sherborne Street will temporarily switch to one way - southbound from Purchas Street to Bealey Avenue from Wednesday 17 June for approximately four weeks while we complete multiple tasks. Please follow signs and detours in place.
- Residents on the west side of Sherborne Street (south of Purchas Street) **MUST** exit driveways and turn right entering the southbound traffic lane with caution.
- Lane shifts will occur where required. This will mean that we will need to restrict road side parking outside some properties on Sherborne Street.
- Extreme care should be taken when exiting driveways, crossing work zones and turning south on Sherborne Street to join the main southbound traffic flow.
- We will keep you informed throughout the project with any updates or road traffic changes.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
