Details

- Purchas Street exit onto Barbadoes Street (both sides) will be closed. There will be detours in place for access to Barbadoes Street via Packe and Geraldine Streets.
- Lane shifts will occur where required. This will mean that we will need to restrict parking and property access during some stages of this work.
- Driveway access and footpaths on Purchas Street may be blocked for short periods of time. In the case of impacts on driveways, the Isaac team on site will knock on all affected properties in advance to allow for the timely movement of vehicles.
- We will keep you informed throughout the project with updates and any changes.
