What are we doing?

We're sorry, there were delays to the completion of our stormwater and watermain renewals on the west side of Dee Street at Cranford Street intersection following the COVID-19 lockdown.

Our road closure on Dee Street will be moving to the west of Cranford Street intersection from Monday 18 May for approximately three weeks so we can complete these works. The road closure will then move back to the east side of this intersection.

Traffic impacts

The road will be closed on Dee Street west of Cranford Street.

Traffic will need to be detoured. Please be on the lookout for changes to traffic management and follow the signs.

Driveway access

We may need to work in front of driveways near these intersections from time to time. If we are working in front of your driveway we will maintain your access with plates.

We hope you are staying safe during level 2!

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual, before 6am on your collection day. Our crew will move and return them if needed.
